And #8 in the World*

The Point is a cozy setting on Sunset Key's beach. It is protected by a sea wall of rocks on one side and a beach gazebo with lush tropical greenery on the other.

As the sandy path curves with the island to the Point, you will make your grand entrance into your ceremony with blue water as your background and sand under your feet.

On the private island of Sunset Key, make your beach wedding come true whether it's just the two of you or 120 of your family and friends. You will enjoy the elegance, privacy, and breathtaking beauty of the island.

The Point

Sunset Key's one of a kind and most popular cottage is Paradise Cottage. It sits just feet from the main dock on the island. It will not only be where you stay for your wedding (and maybe your honeymoon), but also where you get ready and host your ceremony, cocktail hour, and/or reception. Inside Paradise Cottage there are three bedrooms, three and half baths, a large living room, kitchen, and eight person dining table. Outside you have your own large wrap around patio and private beach. From each room enjoy the serene ocean view and access to the patio.

When reserving the cottage for three nights, you can host up to 100 people for a limited seating heavy hors d'oeuvres reception, 80 people for a traditional sit down reception, or 30 people for your ceremony, cocktail hour, and reception.

To ensure protection from mother nature, we do require and will coordinate the installation of the beautifully lined tent pictured on this page. Yes of course, those stunning chandeliers are included.

If you have guests that choose to stay in Key West rather than at Sunset Key, we will also arrange transportation for them to the island for your wedding. Boat reservation times will be prearranged and limited on the resort ferry. Including a private catamaran for transportation gives you the option to host your cocktail hour on the boat.

Paradise Cottage

One of Key West's most popular attractions is the crystal blue waters surrounding our island paradise. Sail the tropical waters of Key West on a spacious catamaran while hosting your ceremony, cocktail hour or reception. The warm ocean breeze paired with the magnificent sunset backdrop is something that you and your guests will talk about for years to come.

When using the catamaran as transportation to your Sunset Key ceremony your guests will be offered pre-wedding drinks. You can also use the catamaran as an unforgettable cocktail hour on the water and toast to your perfect day in paradise as you watch the sun slowly disappear beyond the horizon.

If not a part of your wedding day, invite your guests to join you for the welcome reception the night before the wedding while you sail the Atlantic Ocean. There is nothing better than starting your wedding weekend on the water celebrating with your family and friends.

Share with your guests the best of what Key West has to offer. Host your ceremony on the beach at Sunset Key, then sail away for your cocktail hour on a catamaran and end the evening at one of our waterfront reception locations – The Pier or Sunset Deck - available at our sister property, Margaritaville Key West Resort and Marina.

The Pier features the sunset and waterfront as your backdrop. The open layout allows for you and your vendors to customize and create the atmosphere you want for your wedding, bringing your décor to life. Dance under the stars as you peer through a clear top tent or watch the sun dip into the ocean with festival lights twinkling above you. Perfect for hotter months are tents with liners and chandeliers to provide shading for your guests while they enjoy the view. Our pier is tiled in brick which will provide beautiful rustic accents in your pictures. Your guests will enjoy dancing the night away regardless of their shoe style without incurring the additional expense of a dance floor.

The Sunset Deck is elevated above the pier on a private roof top and provides the perfect intimate setting for the elegant but fun reception. When your guests arrive to the deck after their ceremony, they will be greeted with unobstructed ocean views. The built in bar allows for guests to enjoy cocktail hour and after dinner drinks while not being separated from the fun. When adding festival lighting, you will bring the dance floor to life. The Deck can accommodate receptions for up to 80 guests.

You can also host your welcome reception or send off breakfast on the Pier or Sunset Deck.

The tree-canopied, manicured grounds of the Little White House offer a spacious, yet private venue for a wedding ceremony, cocktail hour, and/or reception. The three lawns surrounding Truman's winter retreat can be used together, individually, or in combination with another location.

The front lawn, with tall palms and enormous tropical almond trees forming a garden cathedral, is a favorite location for ceremonies. The side lawn, shaded by a variety of tropical shade trees, lends itself to receptions and dinners. The back lawn is an open spacious area that can be tented or left open to the stars.

The Truman Little White House is one of the largest wedding locations for ceremonies and receptions in Key West. We can comfortably accommodate 250 people but can set-up properly for a more intimate 50 person wedding without anyone feeling overwhelmed by the space. Whether you choose to host your entire wedding celebration or a combine the gardens of the Little White House with other events, it is an ideal setting to make your perfect day. It is also a great location for your welcome reception.

Invite your wedding party to take a tour of the Little White House! The house is filled with original furnishings that were used by President Truman and reflects the decor of the 1940's and early 1950's. The presidential dining room table is perfect for an intimate wedding rehearsal dinner.
